Martin,

The Area Command PIO and LNO in conversations with Shaun yesterday afternoon and shared with the Area Command Commander and Deputies believe it is best for the ASRG meeting to focus on their meeting objectives without the distraction of EPA's response activities. Area Command EUL will share this information with Peter Butler this morning and provide Shaun as the point of contact for questions Peter may have about this decision.

Thanks,

Patti

I had felt that presence with remedial staff and none directly involved in the assessment would be better than not attending. Wharton and Peterson were going to attend after discussing with Sisk. We would not be discussing GKM. Way was not to attend. If IC feels this would be ill advised then we cannot attend.

In conversations with PIO this morning, there was a questions about who from Region 8 will be attendance at this meeting? Steve Wharton, Cynthia Peterson? Martin and David: do you plan to attend.
